

Dear Friends of The Hermetic Code and Fellow Winnipagans,

Forgive this benign intrusion into your inbox to briefly update you about several exciting Hermetic events taking place this summer.

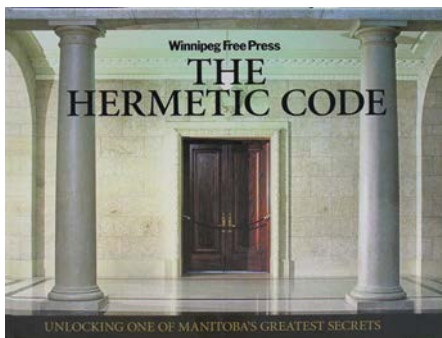

THE WESTERN MYSTERY TRADITION:

From August 15 – September 26, from 6pm – 9pm, I will be teaching two courses at the University of Winnipeg that are open to the public:

Forbidden Knowledge - the deliciously dark world of secret societies, esotericism, and the occult, and ***Mystical Architecture*** – a new course that traces the development of esoteric principles of design from the mysteries of Solomon's Temple to sinister Nazi city-planning. The details for both can be found in the attached brochure. To register or enquire visit:

THIRD EDITION OF THE HERMETIC CODE:

As some of you may know, The Hermetic Code has been out of print, but a new third edition is set for release on July 1. To order signed copies, please visit my website at:

NEW TOUR SEASON BEGINS:

Back by popular demand, I will be offering Hermetic Code Tours every Tuesday and Wednesday nights from July 5 – September 28. Space is limited so spots must be booked in advance and are non-refundable.

Time: 6:00pm – 7:30pm; please arrive at 5:45pm for check in. Meet for the tour at the main entrance of the Legislative Building. **Cost:** \$39.30 CAD / person (includes all taxes and fees)

Bookings can be made online at:

or by calling at (204) 989-9630**

MANITOBA'S NEXT BOON:

'Bring Back the Jets!'

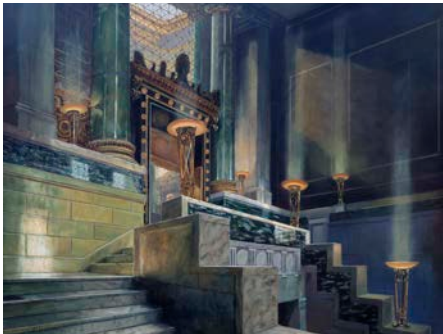

For those who have taken my tour of the Manitoba Legislative Building, you will know this has been my signature clarion call bellowed from the Pool of the Black Star. Well it seems Hermes was listening ... and oh yes, perhaps also Mark Chipman and David Thomson as well. Welcome back NHL!

Having no idea what next to beseech the great Golden Boy, I decided to run a contest for the "Next Manitoba Boon". If there is something you think Manitoba needs most, then send me your suggestions to:

Facebook: <http://www.facebook.com/HermeticCode>

Twitter: @theHermeticCode

If your petition is selected I will holler it vigorously on every tour until hopefully it comes true. Please keep your entries short and sweet. The winning boon receives a Hermetic Code Tour for two, plus one signed copy of the new edition of the book. Winner will be selected on Sunday July 31.

CRASH COURSE IN FORBIDDEN KNOWLEDGE:

On September 10 and 11 from 10am – 5pm, I will be offering a crash-course on the Western Mystery Tradition at the University of Ottawa with classes on Hermeticism, Kabbalah, Freemasonry, and the mysticism of the Manitoba Legislative Building. Space is limited.
